December 1, 2003

Thank you for your inquiry on Multi V-1, ARV Sieger, Multi- AOM, Ch Nighthawk's Quite the Man v Wyndhurst TT, CGC, HIC, 2002 ARC Top Twenty, a.k.a. Zorro. I hope you find this letter informative and responsive to your questions.

I purchased Zorro from Nicola Lundregan Davis of Wyndhurst Rottweilers. Zorro was purchased from me when he was 7 weeks old by his current owners, Ray and Karel Simms, and we co-owned him until August 2002. Now Ray and Karel own him solely.

To give you some background on Zorro, he is out of Group Winning, Multi V-1, Multi BISS, Am/Can Ch Von Boylan Antonio Banderas B, SchH 3, AD, BST, TT, HIC, CGC, CRC Gold Achievement Award, USRC Gold Merit Award, and MRC Hall of Fame and V-CH Evrmor's Blackgammon v BAAR CDX, B, HT, CS, TT, CGC, RTD. Zorro is OFA Excellent, RO-62048E25M-PI, OFA Elbows clear, RO-EL03812-PI, CERF RO-3927N/2001-20, and Cardiac RO-CA1133/36M/P-PI. I have included in Zorro's stud package his certifications, DNA, critiques, title verifications and DNA profile. His brucellosis is pending as well.

Zorro began his show career with a bang with a 1st 6-9 dogs and Reserve Winners Dog as well as 2nd in Sweepstakes at the '00

Kansas City Rottweiler Club at 6 months and 2 days old. Zorro continued his winning ways at the '00 Gold State Rottweiler Club Specialty by winning both his sweeps and regular 6-9 class. Zorro took another trip to Northern California to the '00 American Rottweiler Club National Specialty and won 1st 6-9 Sweepstakes. Zorro was **Best in Sweepstakes at '00 ARC Region II Specialty (Lima, Ohio), Best in Sweepstakes at '00 Dogwood Rottweiler Club Specialty, Best in Sweepstakes at '00 Gulfstream Rottweiler Club Specialty, and Best of Opposite Sweepstakes at '01 Seminole Rottweiler Club Specialty** (his sister Hailo was Best in Sweeps that day!). Zorro was also 1st 12-15 Futurity at '01 Medallion Rottweiler Club Specialty.

Zorro finished his championship with a similar flair. He was **Winners Dog and Best of Winner for 4 point major at '00 Carolina Rottweiler Club Supported Entry, North Carolina** from the 9-12 class and this supported entry was the day before Regionals. Zorro finished his championship at 17 months old by going **Winners Dog for 5 points at the '01 Seminole Rottweiler Club Specialty**.

Considering Zorro's early finish, he was held out of the AKC show ring and allowed to mature. During his time off, Zorro attended a few German Sieger Shows, both ARV and USRC, and has never been out of the ribbons. In fact, Zorro was **V-1 ARV Sieger on Dec. 9, 2001, Monticello, Florida** and also **V-1 Champion Class at '02 United States Rottweiler Club Nationals under ADRK breeder judge Gerhard Apel**.

Since Zorro and his family relocated to the West Coast and in particular, Reno, Nevada, he has knocked them dead with his handler Cheryl Cates. In his first 7 weekends out, Zorro accumulated enough points to qualify for the 2002 Eukanuba Classic by being in the Top 25 Rottweilers in the Country. Zorro has nearly 300 breed points since he started showing in June 2002 and over 20 Best of Breeds. Recently, Zorro was awarded **1st Award of Merit at '02 American Rottweiler Club Regional Specialty in Pleasanton, California**. We anticipate that Zorro will finish well within the Top Twenty at year-end and possibly in Top Ten.

Zorro comes from a litter of nine (9) puppies, eight (8) that are finished. Zorro's litter was repeated and out of the nine (9) puppies, three (3) are finished and four (3) more are pointed.

In Zorro's litter, not only has he done well, but also his littermates have done equally well. V-1 Most Beautiful in Show, Multi BISS, Am/Can CH Wyndhurst's Qualicum CGC, HIC, TT (OFA Good/CERF) finished in Canada from 6-9 puppy class with BOB over specials. Alex is currently #1 all systems for 2002. Alex has won BISS at the '02 ARC Nationals as well as three other specialty BISS this year. Alex was Grand Sweepstakes Winner at Golden State Rottweiler Club Specialty and Winners Dog/Best of Winners at '01 ARC Regional Specialty in Washington as well as Winner Dog at the '01 ARC National. Alex finished in 7 weekends, three of which were Specialty weekends.

BOSS, Select 1, V-1, Multi Group Winning, AOM Ch Wyndhurst's Que Osa Carries On CGC, RTD, T (OFA Good/CERF) finished in approximately 10 shows with a 5 point major, WB/BOW/AOM at the '01 Southwestern Rottweiler Club Specialty. Carrie took back to back Group 1's the next weekend in Colorado owner handled. Carrie was Best of Opposite Sweeps at the '00 Mile High Rottweiler Club Specialty. Carrie was V-1 Youth Siegerin from 18-24 class at New Mexico Rottweiler Club Specialty Sieger Show. Carrie won Best of Opposite at the '01 American Rottweiler Club National Specialty at ripe age of 20 months old!!

AOM Wyndhurst's Que Osa's Hailo CGC, RTD (OFA Good/Elbows/CERF) was Winner's Bitch/Best of Winners/Award of Merit at the '00 Kansas City Rottweiler Club Specialty at 6 months and 2 days old under two separate judges. Hailo finished with 4 majors and was shown almost exclusively at Specialties and Specialty weekends. At the '01 Seminole Rottweiler Club Specialty, Hailo was Best in Sweepstakes as well as Best of Opposite in Senior Sweepstakes (to her brother Alex) at the '01 Golden State Rottweiler Club Specialty.

HIT, Multi V, Am/Can Ch Wyndhurst's Quantum Leap to Evrmor A/C CD, HT, PT, TD, AD, B, CI, CGC, TT (OFA Good/Elbows/CERF) finished with three majors including a BOB from the classes a

specialty weekend. At the '01 Kansas City Specialty, Quantum was High Scoring in Trial. Quantum was rated V-2 at the '01 New Mexico Rottweiler Club German Sieger Show from 18-24 class.

Quincy, CH Wyndhurst's Quincy is OFA Good and Elbows. Quincy is a family pet and may return to the show ring for a few local shows, but otherwise we expect him to be head house baby at home. Ruby, CH Wyndhurst's QT Pie v Baar (OFA Good/CERF) finished with multiple BOS's. Ruby was Winners Bitch over 115 entries at the '02 Colonial Rottweiler Club Specialty under breeder judge Dorothy Wade.

In the repeat breeding born September 28, 2000. BISS/ AOM, Select Am/Can CH Wyndhurst's Rave on Bryloukis finished her American CH with two BOB's over specials at Supported entries under breeder judges Vicky Weaver and Dany Canino. Rave got Group 2 from the classes under Dany Canino. Rave finished with 4 majors and Best in Sweepstakes at '02 Golden State Rottweiler Club Specialty as well as Best of Opposite in Futurity at '01 Medallion Rottweiler Club Specialty. Rave was Select at '03 ARC National Specilaty as well as Best in Specialty Show at the '03 ARF Specialty.

CH Evrmor's Errant Knight CD, B, CS finished owner handled with multiple BOB's from the classes. Shine has placed in the group in limited specialing. CH Wyndhurst's Rhapsody n Ragtime also finished his championship early. Wyndhurst's Regal Ruler was pointed from the 6-9 class. Wyndhurst's Repeat Performance is pointed with BOS's over specials and now is in Schutzhund training. Wyndhurst's Rhythm n Blues is also AKC pointed.

Zorro's sire, Group Winning, Multi V-1, Multi BISS, Am/Can Ch Von Boylan's Antonio Banderas B, SchH 3, AD, BST, TT, HIC, CGC is working on becoming a Silver sire in a short period of time. Tony was both the '99 Mile High Rottweiler Club Specialty Best In Specialty Show from the classes as well as '00 Golden State Rottweiler Club Specialty Best in Specialty Show. Tony won the Group owner handled at the prestigious '02 Golden Gate Kennel Club show over 470 entries. Tony was also the '01 USRC SW Regional SchH 2 Champion and High In Trial as well as High In Trial for his SchH 3. Tony is in contention for Top Producer this year.

Zorro's dam, V CH Evrmor's Blackgammon v BAAR CDX, HT, B, CS, TT, CGC, RTD, MRC Hall of Fame was the Top Producer '01 American Rottweiler Club. Gammon was Winners Bitch at the '98 Mile High Rottweiler Club Specialty owner handled as well as Reserve Winners Bitch at the '98 American Rottweiler Club National Specialty. Gammon is in contention for Top Producer for this year as well and she only has two litters.

Zorro's strengths are his type, bone, color and topline. His front is correct and he is true, but he could use a stronger croup and stronger rear. At this point, he seems a little out of balance front to rear. Zorro needs to be bred to bitches strong in the croup and rear and clean in the head. Zorro has a beautiful head, but he is a bit wet.

Zorro will be used on a limited basis only to bitches of merit. Zorro's stud fee is currently \$1200 if the bitch is titled and \$1300 if she is not titled. Fresh cooled semen as well as frozen semen is available and the bitch owner is responsible for all additional costs associated with these methods of breeding. If frozen semen is used, the bitch owner is responsible for fees to replace the used semen (usually one collection fee is required). We would prefer to do a live breeding, but with Zorro's show schedule we would do what we can to accommodate you. Zorro's DNA profile is currently on file with AKC.

Thank you for your inquiry about Zorro. If I can be of any further assistance, please feel free to call or email me. Look forward to hearing from you in the future. For more information on Zorro puppies, please feel free to email us.
